Subject: Purchase of Foreign
Railroad Tickets

international/
The transport section of the railroads ministry has issued the following regulations concerning the purchase of foreign railroad tickets:

" The foreign railroad tickets shall be purchased through the international transport section of the railroads ministry exclusively

The employee - worker, who wishes to travel abroad/ on private business/ has to apply to his competent unit, the application, which is exempted of taxes, shall contain: the second and the first name of the applicant, his profession, military status, the name of the country and town/ where he wishes to go, the frontier railroad station through which he intends to pass, and for how long does he wish his ticket to be valid. When children are involved, their names and professions should also be indicated. Generally the members of the family have the privilege to pay only half price of the ticket. The applications shall be officially/ mentioned/ forwarded by the competent unit to the competent direction. It is absolutely forbidden that employees or railroad units forward directly to foreign railroad institutions the applications in question.

The above exposed procedure involves only private trips. However, when an official trip is in question, the foreign railroad tickets are issued by the Secretariate of the Railroads ministry. "
